**BLOW-DRY**

All blow-dries and long hair dressing incur a 10% surcharge on Saturdays.

Our pricing structure has been carefully determined to reflect your stylist's level of training, experience and work performed. The stylist you choose and the level of service you request is completely up to you! If you have queries about the price, we are happy to provide you with a quote on the day.

A \$50 deposit is required to secure appointments for all new clients, payable when booking and redeemable for services. It is recommended that new clients should arrive 15 minutes before their appointment to update client information and become acquainted with their stylist and the salon.

Clients who miss appointments or cancel with less than 24 hours' notice will forfeit 50% of the booking price. No shows will be required to pay deposits for all future appointments. Visa, Mastercard and Eftpos now subject to a 2% surcharge.
